Well, actually, no. Don't do that yet.

Not that I wouldn't love to work for you. Really. I'm sure we'd do great things together. But I currently plan to focus on my thesis, and I wouldn't be surprised if there's some work left to do even after graduation in order to ensure that it has the maximum effectiveness. I want to give you my full attention, so I need to take care of that and a few other things first.

If for some reason you're undeterred by the lack of a résumé, feel free to send me an email ([steven@strobe.cc](mailto:steven@strobe.cc)), give me a call (1 813 728 7254), or contact me via [LinkedIn](#). I may not have time to work for you right now, but knowing that you're interested will help me make better decisions.
